THE LUSSO

COLLECTION

Our flawless products offer something for every space in the home, whether you're renovating your bathroom, kitchen, bedroom or living space. Each product range carries our signature style of modern elegance, complete with unrivaled craftsmanship and premium materials.

BATHS

STONE BATHS

Flawlessly crafted from smooth stone resin, our stone baths are available in a wide variety of shapes and sizes, including compact 1200mm to large 1900mm sizes. Available in matte and polished white, dual finish, as well as grigio earth, matte black, charcoal and pebble grey.

MARBLE BATHS

Every marble bath benefits from being completely unique to any other of its kind. From smooth surfaced to fluted marble, our marble baths are available in a variety of shapes and sizes, in various types of globally-sourced marble.

CAST IRON BATHS

Offering excellent heat retention, our cast iron baths fuse modern craftsmanship with traditional design. Available in three styles, the baths feature glamorous Art Deco details such as roll top edging and intricate claw footing. Available in three finishes, including a primed white option which can be custom painted.

ACRYLIC BATHS

Finely crafted from smooth acrylic, Lusso Light baths enable our luxury designs to be enjoyed in all homes. The collection offers a lighter alternative to our stone baths, with the same luxury appeal however without the density and weight, meaning that they are easier to install.

BASINS

STONE BASINS

Our beautifully crafted stone basins are extremely smooth to touch and offer a modern and minimal aesthetic. Including compact cloakroom sizes through to large double sizes, our basins are available in polished and matte finishes, in matte white, matte black, grigio earth, pebble grey, and charcoal.

COUNTERTOP BASINS

Designed to sit on top of a stone countertop, our countertop basins include smooth curvaceous designs as well as angular, rectangular shapes, ensuring that there are styles to suit all themed bathrooms and cloakrooms. Our basins are designed to match our stone baths, with matching or similar shapes.

WALL HUNG BASINS

Perfect for interiors with limited space, our wall hung basins are versatile and space-saving. Including compact and double styles in both marble, stone, and travertine, great for styling with other pieces in the same material.

FREESTANDING BASINS

A great choice for spacious, luxury bathrooms, our freestanding basins create an ultimate focal point. With curved or angular silhouettes, our basins emulate the luxury found in some of the most prestigious resorts and hotels.

MARBLE BASINS

Crafted from precious marble stone, our basins add a touch of luxury to any sized bathroom. Choose from countertop, freestanding and wall hung marble designs, ensuring a design for all bathrooms, big or small. Each marble basin is completely unique to the next due to the nature of the marble.

COUNTERTOPS FOR BASINS

Our countertops, crafted from durable stone, are the perfect companion for your stone countertop basin, providing a solid foundation for the basin to sit upon. Our countertops are available in sizes 600mm to 1400mm for both single and double bathrooms or ensuites.

VANITY UNITS

FREESTANDING VANITY UNITS

Create a beautiful focal point with our freestanding vanity units. Our range includes modern, traditional, and mid-century styles which range from 500mm to 2000mm in single and double designs.

WALL HUNG VANITY UNITS

Functional and versatile, wall hung vanity units offer generous storage space for bathrooms of all sizes. With integrated storage and a wall mounted model, the vanities offer a clean and uncluttered design due to the open floor space beneath. Available in a variety of colours and materials.

TRADITIONAL VANITY UNITS

Influenced by the sleek geometrics, sweeping curves, and heavily stylised aesthetic of classical design, our traditional vanity units add a flawless look to your space. The range includes marble designs with exposed framework as well as fluted wooden vanity units, suitable for a variety of interior themes.

DOUBLE VANITY UNITS

Inspired by high-end hotels, our double vanity units are ideal for couples or family bathrooms. With wall hung and freestanding designs, the double vanities contain two basins and integrated storage and are available in a range of finishes and styles.

CLOAKROOM VANITY UNITS

Cloakroom vanity units can slot within compact interiors while creating an illusion of more space. Best suited to downstairs toilets and cloakrooms, the vanity units, at 400mm to 600mm, provide storage space while leaving space beneath for maximising floor space.

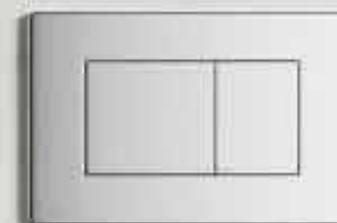

BATHROOM STORAGE

Our bathroom storage cabinets ensure neat and uncluttered living, with optimum internal space for self care products and bathroom essentials. Including styles for both modern and traditional bathrooms, our storage units come in wall hung and freestanding styles in wood or stone resin.

TOILETS

BACK TO WALL TOILETS

Our back to wall toilets offer a minimal design, sitting flush to the wall with a concealed cistern. The toilets are expertly crafted from smooth ceramic with flush plates that are available in our signature brassware finishes.

WALL HUNG TOILETS

Also known as a floating toilet, wall hung models offer a minimal design which sit above the floor. Crafted from ceramic, our wall hung toilets have a rimless bowl, which are easier to clean than the average toilet model, making them more hygienic.

SMART TOILETS

Operated by a remote control, our smart toilets offer user presets for a personalised experience, as well as an energy vortex flushing system and LED night light. The smart toilets feature multiple wash settings including a rear wash and lady wash, as well as a warm air dryer.

TRADITIONAL TOILETS

Including high and low level models, back to wall, and close coupled, our traditional toilets are crafted from smooth ceramic and feature FSC-certified wooden seats which are available in four finishes. The toilets feature exposed pipework and Art-Deco inspired lever pull chains.

CLOSE COUPLED TOILETS

Our close coupled toilets sit flush to the wall, featuring a quick release, soft closing seat and dual flush buttons or handheld levers. The close coupled toilets are available in both a modern and traditional style.

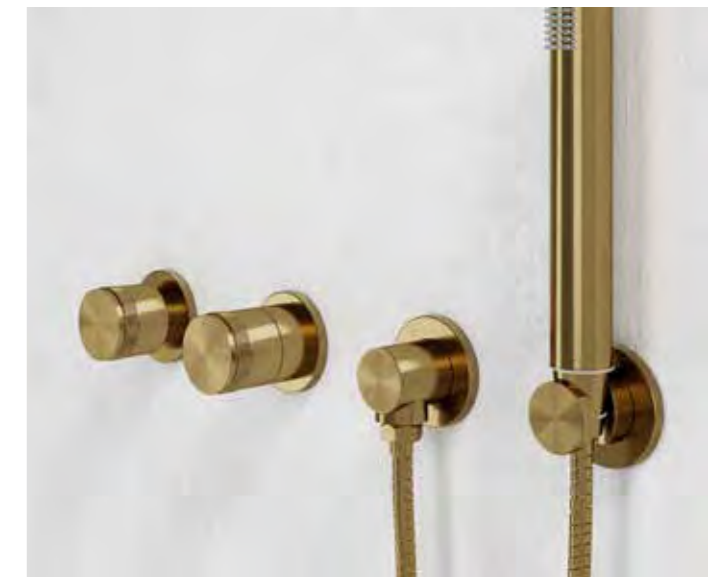

TAPS

BATH TAPS

Complete your freestanding Lusso bath with one of our luxury bath taps. The collection includes deck mounted, wall mounted, and floorstanding bath taps in a range of finishes. All taps include Citec ceramic cartridges and Neoperl aerators to ensure smooth, regulated water flow. Available in all of our signature finishes.

BASIN TAPS

Our collection of basin taps includes wall mounted and deck mounted styles which are compatible with all Lusso vanities and basins. Available in all signature brassware finishes, the taps contain Sedal and Citec cartridges, and Neoperl aerators for smooth, regulated water flow.

SENSOR TAPS

Great for commercial spaces or businesses, our sleek sensor taps offer optimum levels of hygiene with a no-touch automatic mechanism which activates water flow when the presence of hands is detected. Our sensor taps are available in a variety of our signature finishes.

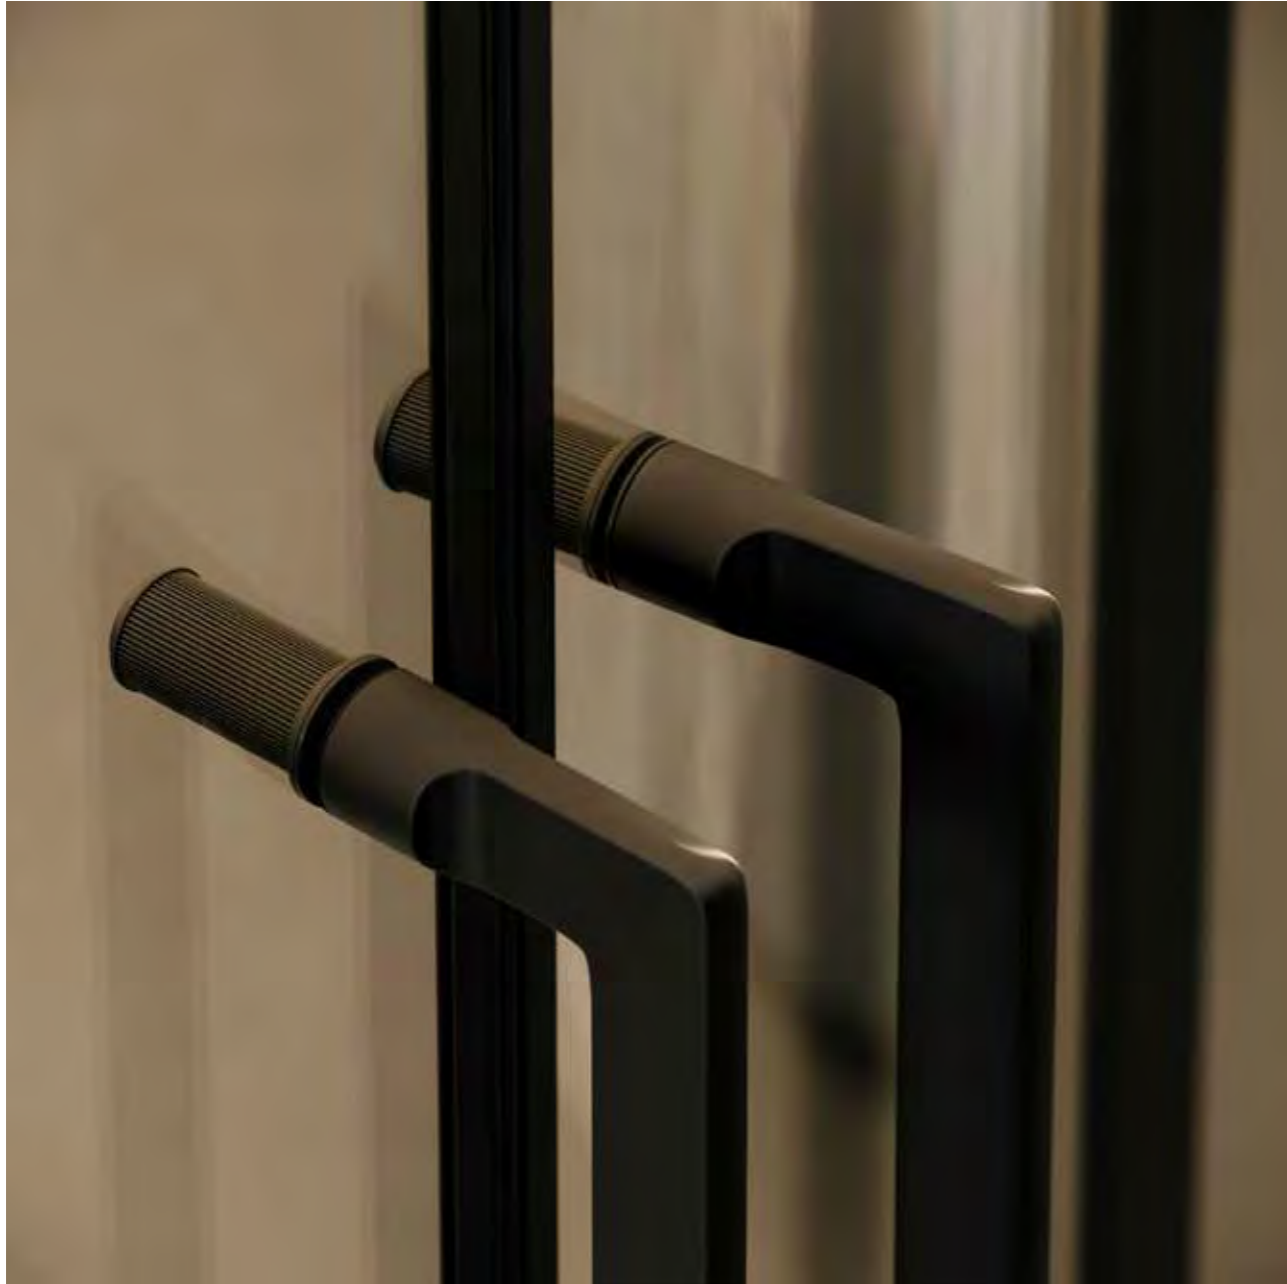

SHOWERS

SHOWER SETS

Experience a spa-like shower with our shower sets. Expertly crafted with premium components, the showers are suitable for either high or low pressure systems and come in an array of single, two way and three way designs.

SHOWER ENCLOSURES

Our walk in enclosures offer a spacious and tranquil showering experience, resembling those in high end resorts and spas. Available in a range of sizes to suit various interiors, the enclosures include anti-slip trays, bracing bars, and all essential fixings.

SHOWER SCREENS

Flawlessly made from toughened glass, with all fixings and support bars included, our shower screens are available in the signature Lusso finishes, designed to match your taps, shower sets, and accessories. The screens are available in clear and reeded glass, in a variety of sizes.

SHOWER DOORS

Our shower doors are versatile and functional for all homes, spas, or hotels, designed with sliding mechanisms for a smooth and silent transition, as well as soft closing doors for gentle movement. Expertly crafted with 8mm toughened glass, the doors are available with frames in our signature finishes to match the wider brassware within your bathroom.

RADIATORS

BATHROOM RADIATORS

Heat your towels in style with our bathroom radiators. Including floorstanding and wall mounted styles, the radiators are available in multiple finishes such as brushed gold, polished nickel and chrome, in modern and traditional styles.

KITCHEN RADIATORS

Our vertically designed kitchen radiators provide warmth and luxury style to your kitchen. In brushed gold or matte black, the radiators offer sleek styles with unrivaled heat output. Style with kitchen taps in the same luxury finishes.

ELECTRIC TOWEL WARMERS

Powered by a touch-sensitive button and featuring a digital temperature display, the electric towel warmers come in an array of beautiful finishes. Fully UKCA-certified, the radiators come with a 1.3M power cable for versatile positioning.

HARDWARE

DOOR HANDLES & LATCHES

Our handles and latches are the perfect finishing touch to an interior. In multiple finishes and styles, choose from modern knurled and fluted handles, to more classical designs which feature geometric and intricate Art Deco detailing.

CABINET HANDLES

Our versatile cabinet handles, which can be installed horizontally or vertically, are suitable for modern or traditional homes. The range includes cup handles, T-bars and cabinet knobs in various sizes and finishes, making them compatible with all cabinetry, cupboards and units.

KITCHEN

KITCHEN TAPS

Including our bestselling boiling water tap, pot fillers and pull out taps, our kitchen taps are available in a variety of luxury finishes to complement your kitchen hardware and radiators. The range offers both modern and traditional styles with swan spouts, square necks, and mixer levers.

KITCHEN SINKS

Designed to elevate the heart of your home, our kitchen sinks are available in single and double designs, with undermount, workstation, or Belfast styles. Complete the look with a Lusso kitchen tap in a matching or complementing finish.

BOILING WATER TAPS

Available in four designs and five luxury finishes, our Filtrata 4 in 1 Boiling Water taps are designed to save space, time and water, and offer ultimate convenience for kitchens or utilities. The tap dispenses filtered, boiling, and hot and cold water all from a single spout.

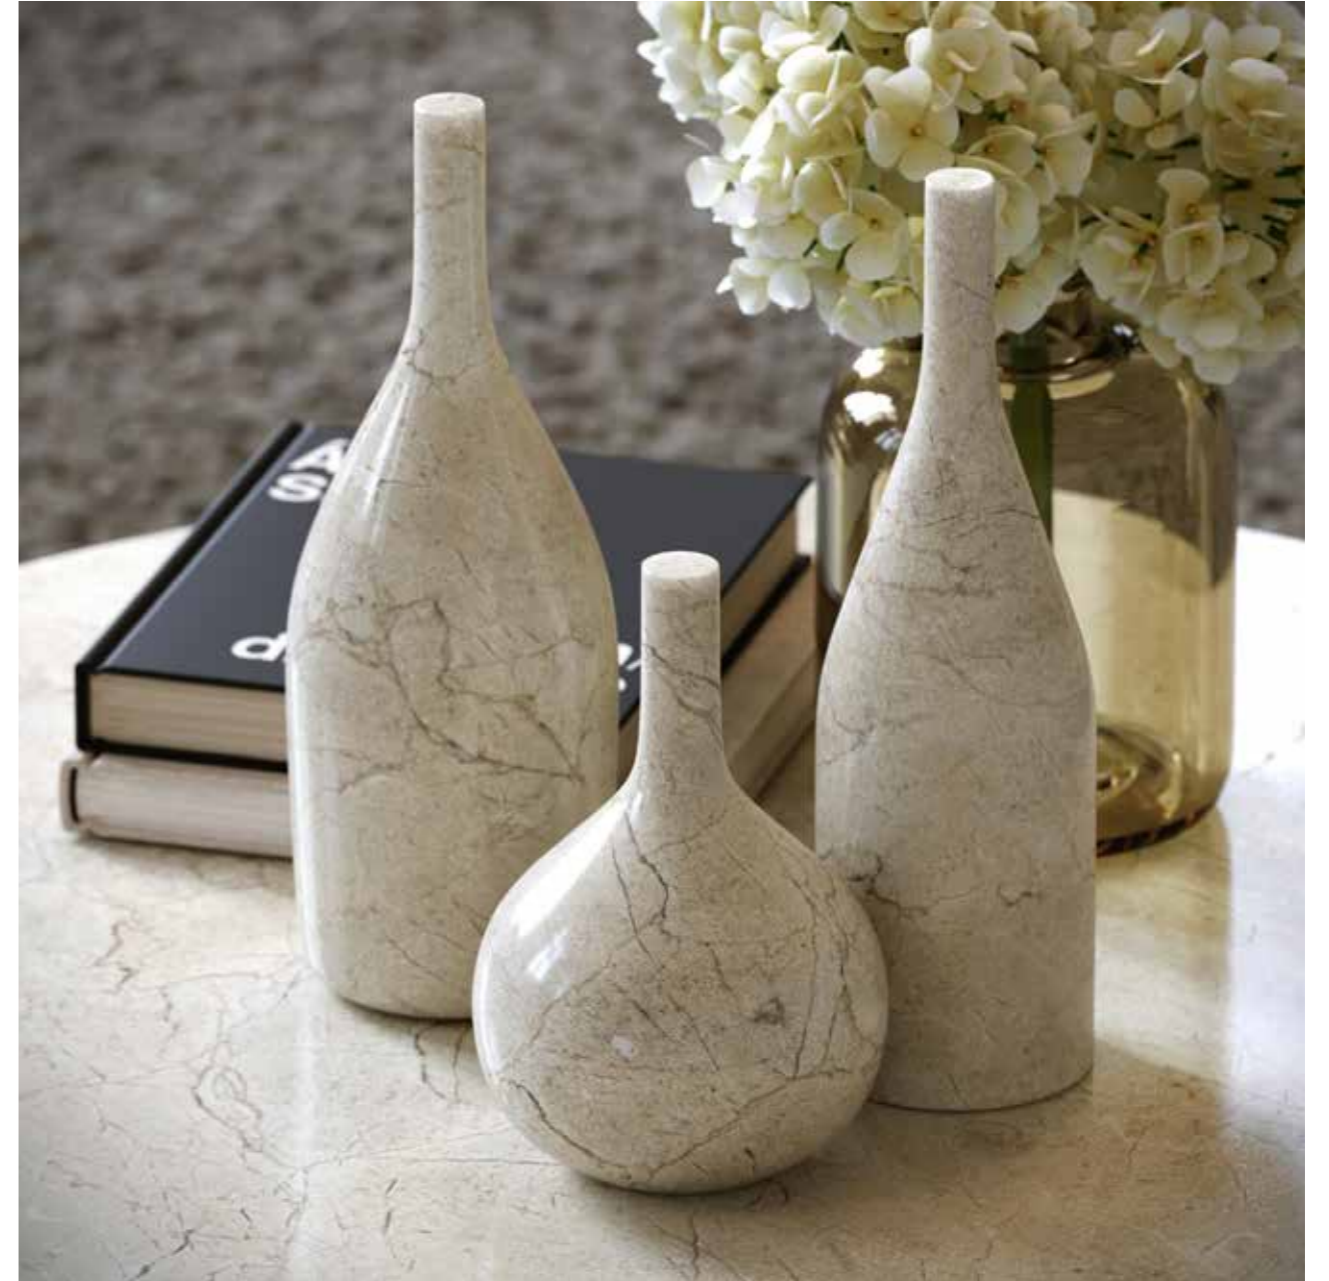

HOMWARE

MARBLE TABLES

Sustainably sourced from around the world, our marble coffee tables and side tables come in a variety of lavish marble, including the Italian Arabescato, the Nero Marquina, and Carrara. The tables are available in rounded or square designs, with a luxury gold or matte black framework.

MARBLE HOMEWARE

Explore luxury accessories and decorative pieces for all spaces within the home with our marble homeware range. From decorative vases and bottles to bins and dog bowls, our range is available in various types of unique marble.

MARBLE VASES

Available as single vases or collections of three, our vases make a beautiful statement when placed around the home. Expertly carved from some of the world's most opulent marble, they're a perfect decor choice for immaculately styled shelves, coffee tables or vanity units.

CANDLES

Set the mood with a luxury candle or candle holder from Lusso. Our scented candles offer a sweet sense of Cassis Nectar & Freesia, while our solid marble holders are perfect decorative pieces.

ROBES & BATH TOWELS

Achieve a spa-like pampering experience with the Lusso robes and towels collection. Our collection includes unisex robes and plush towels crafted from Egyptian cotton, featuring lavish gold embroidery and Lusso branding, as well as a soft bath mat which allows you to step out onto ultimate comforts.
